## Preparing for Ofsted Training

Wednesday 27 September 2023

Tuesday 30 January 2024

Tuesday 30 April 2024

1pm - 2.30pm or 6pm - 7.30pm, via Teams

- Our Preparing for Ofsted is essential training to help governors develop their understanding of the inspection process, the different types of inspections and what Ofsted requires of the school and governors and the evidence on which inspectors base their judgements.
- Governors will learn how to ask appropriate questions of the headteacher and senior staff, as part of their role in holding leaders to account.
- The course includes useful tips on how to prepare and the specific areas which Inspectors will seek evidence on from those responsible for governance.
- We are pleased to offer governors opportunities to attend this training throughout the year (you only need to attend one session).

*"I'm now clear how I need to prepare for Ofsted."*

*"Excellent throughout and especially the Ofsted fact sheet which demystified and took the fear away."*

*"Really useful and helpful that is was delivered by someone with a lot of governance experience."*
