

# Governor Training 2023 - 2024

## Holding to account

**Tuesday 23 April 2024**

1.30pm - 2.30pm and 6pm - 7.30pm via Microsoft Teams

### **Do you know how to ask the right questions?**

This course is designed to support you to consider how you can best hold leaders to account in each of their key roles.

The focus will be on the core function: Create Robust Accountability. We will explore opportunities both within governing body and committee meetings as well as on monitoring visits to school and consider how best to evidence this. We will also look at questioning skills.

### **From this course you will:**

- Improve your questioning skills.
- How to best evidence and demonstrate a proper discharge of responsibility by governors.

### **Don't Delay, Book Today.**

Please bring a copy of your school improvement plan to the training.
